FOCUS ON...

What do “Jekyll” and “Hyde” mean?

The two names of the story of Robert Louis Stevenson seem to have a mysterious double meaning. The two syllables of Jekyll’s name (Je and kyll) maybe mean ‘I kill’ (Je in French means I). In the last chapter of the novel, the doctor explains the way he tried to get rid of (kill) the bad Hyde in him.

Hyde spelled as ‘hide’ reminds of something hidden from view, or the rough skin of an animal. Jekyll is somehow trying to murder the concealed Hyde and his bestial nature.
