Hi,
How are you? My new school is great! The teachers are fantastic and the lessons are really interesting. I have lots of new friends, too!

My favourite day is Tuesday. The first lesson is Art, the second lesson is Music and after the break we have P.E. Thursday is a good day, too. We have two lessons of French before the break and then History just before lunch.

I don't like Mondays very much. It's Maths on Mondays after the break and I'm not very good at Maths. There are two lessons of Science before the break, too. I quite like Fridays. We have English and Geography for the first two lessons and then ICT before lunch.

Wednesday isn't a bad day. The first lesson's Art, the second's R.E., after the break we have I.C.T. and then it's time for lunch!

Hope you like your new school too!
See you soon,
Lucy
