A I usually get up at 7.00 and I always have a shower. Then I get dressed. I wear a uniform to school – white shirt and stripy tie, black trousers and black shoes. It's really boring! At about 7.30, I have a quick breakfast with my mum, dad and brother, Samuel.

B After the second lesson, we have a 15-minute break and then we have another lesson. At 12.15 it's lunchtime! I usually eat lunch in the canteen with my friends, but some people bring a packed lunch.

C School starts at 8.50 every day from Monday to Friday. First of all we have registration class. Our teacher takes the register to see if anyone is ill or absent. Then at 9.00, we go to our first lesson. I study lots of different subjects, about twelve, but my favourite subject is French.

D When I get home, I usually have a snack and then I do my homework. I always have lots of homework! At about 7.00 we have dinner. After dinner I sometimes watch TV or listen to music. On Thursday evening I meet my friends, Rick and Darren, and we go to the Duke of Edinburgh's Award meeting.

E We live on a farm in the country so there is a school bus that comes to collect us. It takes about 20 minutes. We usually arrive at school at 8.30. I'm 14 and I go to Secondary School.

F In the afternoon, we have our last two lessons. School finishes at 3.30, but on Monday and Wednesday I stay at school until 5.00 because there are extra clubs. On Monday, I go to football practice and on Wednesday I go to French Club.
